Silk Stockings for a Dollar

These are not ordinary Dollar Silk Stockings. Not the kind other merchants sell for a dollar. They differ in two important essentials. First in weight. The ordinary silk stockings sold for a dollar weigh 1½ ounces. The unusual values we sell weigh 1½ ounces. It will surely not require any argument to convince you that one-fourth of an ounce is a great difference in the weight of one pair of silk stockings. It proves conclusively more silk and greater body. The other point of difference between the silk stockings we sell for a dollar and the kind sold by others is this: The ordinary dollar silk stocking is not re-inforced at heels, toes and soles. But the kind we sell have **double** heels, toes and soles—and you know what that means in additional service. Make the comparison yourself—our statements are easily proved. These unusual values won't last long and can't be duplicated when this lot is gone. The calendar is racing toward Christmas. Settle the gift problem now with some of this exquisite hosiery. For card prizes, for gifts to one's self, for the prospective bride, for the debutant, nothing could be more welcome than these extra value dollar silk stockings. Every pair is actually worth a quarter of a dollar more. Black, white, pink, blue, tan.

THOSE ZIGZAG SIDEWALKS

City Officers and Property-Holders
Meet This Afternoon to Take
Action in the Matter

There is a move in progress on the part of the city authorities to have a meeting of the property holders interested on the North side of East Second street, with a view to getting the sidewalks at that place straightened along the lines of the suggestions in THE LEDGER of a few days ago.

A meeting is called of the various property holders to meet at the Council Chamber at 4 o'clock this afternoon, and take the matter up with a committee of Council, and see if it can not be arranged to have the property-holders set their fences back so that the sidewalk can be made on one continuous line East and West from Prospect street.

It is hoped that the property-holders will be willing to set their fences back and let the sidewalk run through on a line to conform to that already constructed East and West of this section. It will widen and beautify the street greatly and certainly add much to the beauty and value of the property; besides adding to the beauty and benefit of the whole East End, which now bids fair to be one of the most beautiful sections of the city in the next few years.

For Your Hair

Here Are Facts We Want You to Prove at Our Risk

Marvelous as it may seem, Rexall "93" Hair Tonic has grown hair on heads that were once bald. Of course it is understood that in none of these cases were the hair roots dead nor had the scalp taken on a glazed, shiny appearance.

When the roots of the hair are entirely dead and the pores of the scalp are glazed over, we do not believe that anything can restore hair growth.

When Rexall "93" Hair Tonic will do as above stated, it is not strange that I have such great faith in it and that I claim it will prevent baldness when used in time. It acts scientifically, destroying the germs which are usually responsible for baldness. It penetrates to the roots of the hair, stimulating and nourishing them. It is a most pleasant toilet necessity, is delicately perfumed and will not gum nor permanently stain the hair.

I want you to get a bottle of Rexall "93" Hair Tonic and use it as directed. If it does not relieve scalp irritation, remove dandruff, prevent the hair from falling out and promote an increased growth of hair and in every way give entire satisfaction, simply come back and tell me and without question or formality I will hand back to you every penny you paid me for it.

I lend my indorsement to Rexall "93" Hair Tonic and sell it on this guarantee, because I believe it is the best hair tonic ever discovered. It comes in two sizes, prices 50 cents and \$1. Remember you can obtain it only at my store—The Rexall Store. Thos. J. Chenoweth.

TELEPHONE CASES ARE HEARD AT MAYSVILLE

In the Mason Circuit Court yesterday three suits for amounts aggregating \$30,000, were taken up before Judge James P. Harbeson. The suits are known as the telephone cases and were consolidated by mutual consent, as they are against the Maysville Telephone Company of this city and the Central Home Telephone Company of Nashville, as co-defendants. Walter Matthews, S. H. Mitchell, Dr. Edwin Matthews, First National Bank, all of Maysville, J. W. Chambers of Winchester, are also named in the suits, which were brought to recover on money loaned on notes and other securities.

Worthington & Cochran of Maysville and D. L. Pendleton of Winchester appeared for plaintiffs, while Helm Bruce of Louisville and Marshall & Frazier of Toledo, Ohio, represented the defendants. The cases were argued and ten days was allowed each side to submit briefs, after which the matter will be taken under advisement before judgment is rendered.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address, F. J. "Baby's Never Ill"—Remedy FREE

Summer after summer Dr. Caldwell is in receipt of hundreds of letters from mothers all over the country thanking him for keeping their children in good health these hot days. The way is simple for any mother. If the child breaks out with sores, if it scratches itself, if it has no appetite and doesn't sleep well, if its bowels are constipated or too loose, do not become alarmed, but try a dose at bedtime of DR. CALDWELL'S SYRUP PEPSIN. There is no remedy so effective in the digestive ailments of children, and so well liked by them for its pleasant taste and non-gripping, than this very same DR. CALDWELL'S SYRUP PEPSIN. Ask the druggist who has your confidence and he will tell you that more mothers are buying this remedy today than any other. It is not to be compared to the ordinary laxative, because this contains tonic properties that help to build up the child; nor is it to be compared to salts and purgative waters, for they do but temporary good, nor to tablets or pills, which often gripe and are difficult to take. It is especially the right remedy for women and old folks because of its gentle action. Your druggist will sell you a bottle for 50 cents or \$1.00, according to size.

Those who have never yet used DR. CALDWELL'S SYRUP PEPSIN and would like to make a test of it before buying in the regular way of their druggist, can obtain a FREE SAMPLE BOTTLE either for themselves or any member of their family by sending name and address to the doctor. The sample will be sent to your home free of charge. In this way you can find out what it will do without cost. Also, if the case presents difficulties that doctors and other remedies seem unable to overcome, write a letter to Dr. Caldwell explaining how the person suffers and he will give you his best MEDICAL ADVICE, based on half a century of experience in stomach, liver and bowel diseases, without charge. Women who have children should read and for "SUMMER SUGGESTIONS TO MOTHERS," containing the doctor's advice on diet, hygiene, etc., in hot weather—a very important subject. The address is

JOCKEY BERRY

Killed in Idaho Brought Home For Interment—Series of Fatalities

The remains of Vance Berry, the Mason county boy who was killed at Caldwell, Idaho, October 8th in a horse race, arrived here yesterday afternoon on the 1:36 C. and O. train and were taken to the undertaking rooms of McIlvain & Humphreys in Sutton street. The funeral and interment will be in the Mayslick Cemetery this morning at 11 o'clock.

Fred Young of Cleveland, O., who was riding the horse in front of Vance Berry, and who himself was seriously injured about the head, accompanied Vance's remains here and is the guest of Mr. and Mrs. Eliza Clift. After his arrival here Dr. A. O. Taylor was compelled to give his wounds on the head medical attention.

Vance Dunlap Berry was a son of Mr. Ed. P. Berry of North Middletown, Ky., formerly of this county, and was 23 years of age. His mother, now dead, was Miss Lulu Gooding, daughter of Mr. A. P. Gooding of Mayslick. He was a nephew of Mr. Frank Clift of this city and a cousin of Mr. Eliza Clift of this county. He also leaves three brothers, Eliza, also a jockey, now in New York; Will, Druggist, in Los Angeles, and Ollie, who resides with his grandfather, A. P. Gooding.

An Idaho newspaper of last Friday, writing of the accident, says the Canyon County Fair was marked by a series of fatalities.

In two running races, three horses in each, with their riders, fell in a terrible mixup while the horses were going at breakneck speed. In the first accident, all the jockeys and horses were more or less hurt, Jockey Givens having his ribs crushed and one ear cut off by his horse falling on him.

In the second race, five furlongs, there were four starters, among the mounts being Vance Berry, on Jerusha. As the horses were rounding the back stretch, La Tranta, with Fred Young up, pulled away from the pole directly into Cavillina, mounted by Ed. Monroe. Cavillina fell and struck Jerusha with Vance Berry up, and Jerusha fell.

Enchanter, with Lloyd Shilton up, fortunately escaped and won the race.

The resulting scene was frightful. The three horses and jockeys were lying in a heap. Monroe was unhurt. Vance Berry presented a ghastly sight. His head was terribly crushed and the left eye nearly pushed from the socket and his neck was broken. He gasped for a few minutes and died. The left side of his face struck the hard ground and his horse also fell on him. Berry had a series of accidents and had been injured three times this year. Fred Young also has been hurt in several races and has had his right leg broken five different times.

Young Berry is well spoken of and it is said it was his intention of retiring from the Jockey business and seeking some other occupation.

To add to the mishaps a balloonist was killed the last day of the Fair.

The gage marks 29 and rising

It is not probable that there will be a rise in the river sufficient to allow the proposed outing during the Elks Reunion here next week, in which case a fish fry or some other equally jolly affair will be substituted.

The Lower Ohio is in its worst possible condition from low water. Sandbars are in large numbers and are causing much trouble. The worst place is Falling Rock bar, seven miles below New Albany. At this point a solid bed of rock extends across the river and such conditions would not exist if there was a nine-foot stage.

The monster towboat Sprague was inspected at Louisville a day or so since and was found to be in satisfactory condition. The Sprague is the largest towboat in the world and is the property of the Monongahela River Consolidated Coal and Coke Company of Pittsburgh. She has been lying below the Louisville canal during the low water.

Owing to the great storm which one month ago sunk \$1,000,000 worth of coal in Southern ports, the market, with approach of winter, is going up. Shipments will be started South at the first opportunity. Prospects of a rise are very scarce and rivermen are of the belief that the present month will pass without a rise in the river.

The annual meeting of the Ohio Valley Improvement Association begun yesterday at Cincinnati for a two days' session. Among those who will be present are Congressman John K. Tenor, member of the Rivers and Harbors Committee, and Congressman James Francis Burke of Pennsylvania; Congressman Harry Woodbury, member of the Rivers and Harbors Committee, and Congressman J. Hughes of West Virginia; Congressman Swager Sherley and A. O. Stanley of Kentucky; Congressmen Keifer, Cox, Anderson, Johnson and Douglas of Ohio. Governor Harmon of Ohio and Governor Willson of Kentucky will do the welcoming act for their respective States, and Governor Marshall of Indiana, Governor Glascock of West Virginia and Senator Dick of Ohio will be called on for brief talks.

Strange Idiosyncrasies and Opinions of Some Gray-Haired People and Those Affected With Scalp and Hair Trouble.

New York City sends out more salesmen, twice over, in all probability, than any other city in the world. At an annual banquet given by a big firm to its salesmen there were present some two hundred gray-haired and bald-headed salesmen. It was a subject of mournful discussion among them that the firm was commencing to prefer younger men. One old patriarch, grown gray in the service, remarked to several gathered around him: "Here I am doing as good if not better work than I ever did in my life; yet, because I am commencing to show my gray, am slated for the 'has been' division. I wish I knew of something that would turn my hair to the color of that of a lusty man of thirty." "Why don't you use Q-Ban Hair Restorer?" suggested one of his audience. "My friend," answered the old fellow, "I once visited the plant of a big patent medicine firm. On my way through one room, I asked one of the employers what they put up there. 'Hair Restorer,' I was told. Well, I want to say that among the employees working in that room I never in my life saw together so many gray-haired and baldheaded people." "All right," replied the other, "I have a good head of fine brown hair, haven't I?" Well, my hair three months ago, before I came with this firm, was a fine old iron gray. I used Q-Ban Hair Restorer, you see the result, and the owners of Q-Ban Hair Restorer agreed to refund me my money if it didn't do a fine old iron gray. My wife used Q-Ban Hair Tonic and it has cleared her scalp, stopping her hair from falling out, and I'll bet its increased the length six inches." "Where can you get it?" "Oh, at any drugstore, and the druggist will back up the guarantee."

"J. Jas. Wood & Son recommend and sell these preparations. If you are gray haired or your hair is commencing to fade you can have the first full size 50c bottle by sending 12c in postage to the Heasig-Elis Drug Co., Memphis, Tennessee."

Announcement was made Wednesday at Huntington that C. Crane & Company, of Cincinnati, which controls practically the entire timber output of the Guyan Valley district, had approached the officials of the Chesapeake and Ohio with a proposition that if the railroad will construct a branch line up Buffalo Creek in Logan county the Company would give the freighting of its log output to Cincinnati. The annual cut from the district, which is tremendous, has always been floated to Cincinnati on the waters of the Guyan and Ohio rivers, but it is said to be the intention to supplant the old method with a more modern system.

BEER DRINKING

Four-Fifths of the 55,000,000 Barrels Brewed Consumed in the Cities.

The capital invested in American breweries is ten times that invested in distilleries, and the value of its product two and a half times as great.

But the demand for this new drink is not evenly distributed across the country. It is limited very largely to about a quarter of the population—the residents of cities.

Four-fifths of the 55,000,000 barrels of beer made in the United States is consumed in cities, and at least three-fourths of it by the population of cities themselves.

The brewing trade statistics show that every man, woman and child in cities of over 25,000 can safely be credited with drinking a barrel and two thirds of beer a year.

Largely by this means the population of American cities drinks at least 11 quarts of pure alcohol a head every year, while the population of the rural district drinks a little over 4 quarts a head.

If there is a liquor problem in America—which every one seems to concede—it is obviously in the city, and almost as obviously the brewery trade is connected with it.

TRUTH TRIUMPHS.

Maysville Citizens Testify for the Public Benefit.

A truthful statement of a Maysville citizen, given in his own words, should convince the most skeptical about the merits of Doan's Kidney Pills. If you suffer from backache, nervousness, sleeplessness, urinary disorders or any form of kidney ills, the cure is at hand. Read this:

Mrs. John T. Wallingford, 108 Commerce street, Maysville, Ky., says:
"Doan's Kidney Pills have been used in my family with most beneficial results and it gives me pleasure to corroborate the testimonial we gave in their favor some years ago. Doan's Kidney Pills afforded me great relief from kidney disorders and I have no hesitation in again recommending them."

For sale by all dealers. Price 50 cents Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Williams' COUGH SYRUP!

CURES COUGH—It will do it in less time than any other one I know of.
EASES THROAT SORENESS—Our customers say it beats anything they ever used.
MONEY BACK—We have such confidence in it we will give your money back if you are not pleased with it.

M. F. WILLIAMS & CO. THIRD STREET DRUG STORE.

ROYAL BLUE

For Laundry Use.

Is a very high grade of Bluening and specially prepared with the utmost care. Gives clothes a bright, fresh shade, with a beautiful lustre. It does in no way streak the clothes, as these cheap, inferior grades do. Many of the finest laundries throughout the country use this Bluening daily with perfect satisfaction. You will like it.
One ten cent powder, put into a quart of clear fresh water, will make you as much excellent Bluening in liquid form, as you pay 50 cents for, and of a much better quality. You can make half a pint of excellent Blue Ink by dissolving the powder in half pint of water. Prepared by
